

## THE GREEN TEAM – APRIL 2024

VOLUNTEERS WORKING ON SWIMBRIDGE PARISH PROJECTS – THERE IS NO LONG TERM COMMITMENT AND EACH EVENT IS USUALLY AROUND 2HRS – a warm welcome is extended to all who come, it is great to chat and look back at the before and after photos.

Going forward here are some of the Green Team Events you can dip in and out of – please let me know if you are coming and I can make sure I have gloves, tools and vis vests for you.

April **EVERY** Tuesday 10.30 – 12.30 Swimbridge Streamside Garden – we will be digging out the beds and re setting some established plants and setting up for new, cutting back some of the brambles, pruning some of the established plants and managing all with a light touch. The edges always need a quick trim and Andy will help with keeping the grass under control. If you would prefer a section to look after rather than general help please let me know and it would be great to have the company. A lovely place to sit and chill with the gurgle of the river and bird song in the background

### MEETING OUTSIDE THE Swimbridge Jubilee Hall at 9.45

**Saturday 20<sup>th</sup> April** 10 – 13.00 – WALK – along Hannaford Lane, out towards Dennington, across the fields to Devils Lane and back down to Dennington Hill – suitable footwear as maybe wet underfoot, jacket in case of rain and camera. All welcome.

**Saturday 4<sup>th</sup> May** – 10 – 12 – Rockwell Corner – clear & clean the kerbsides and road signs and working to tidy up this area – where Station Road crosses over the A361 – **MEETING UP AT THE WAY SIGN**

Saturday 18<sup>th</sup> May – 10 – 12 – the Square, sloped approach to the river, the rest of the edges, the weeds under the local direction signs and around the bus shelter and information board

There is so much more to be done in the Parish – out in the rural sections cleaning the road signs and clearing the growth around them to keeping some of the general roadside growth back in community areas making it a more enjoyable place to live.
